Code Title 2009 Indiana Residential Code		Edition First Edition
Section number and title R403.1 General		Page 1 of 1
Proponent Craig Wagner	Title Chief Building Inspector/ IABO Code Comm. Member	
Address 220 W Van Buren St, Columbia City IN 46725		Phone 260-248-3111
PROPOSED CODE CHANGE (Check One)		
<input checked="" type="checkbox"/> Change to read as follows <input type="checkbox"/> Add to read as follows <input type="checkbox"/> Delete and substitute as follows <input type="checkbox"/> Delete without substitution		
<p><b>R403.1 General.</b> All exterior walls shall be supported on <del>continuous</del> solid or fully...</p>		
REASON AND FISCAL IMPACT		
<p>This word is removed from the text because it confuses the issue. The code requires all exterior wall loads to transfer down to the footing which must be underneath all portions of the wall. However, the word “continuous” is often misinterpreted to mean that the footing must be poured , or placed, all at one time, which is not the intent of the code.</p>		
<p><b>Fiscal impact:</b> there is no increase in the cost of construction.</p>
